

Digital Gadgets Bluetooth Keyboard Case Charging and Pairing Instructions

Model Number DGIPA2BK

Please follow the steps below exactly as they appear

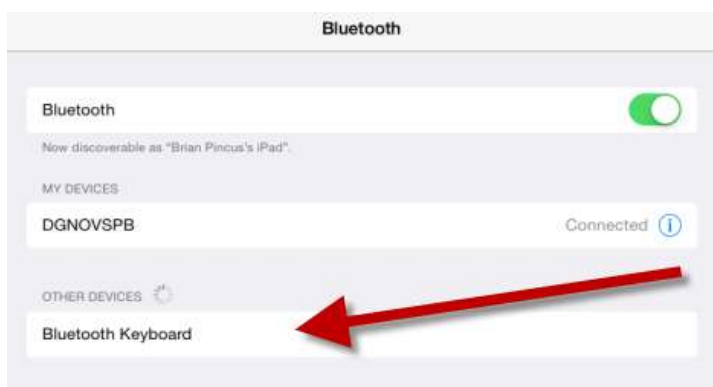

1. Plug the Bluetooth keyboard into the **POWER ADAPTER THAT CAME WITH YOUR IPAD**, then plug into a **wall outlet** letting it charge for **at least an hour**.

2. Slide the on/off switch until you see the blue power indicator light.
3. Press the pairing button so that the blue indicator light starts flashing, which indicates it is ready to be paired with the iPad.
4. On your iPad, tap **Settings** then **Bluetooth** making sure Bluetooth is **ON**.

5. Your iPad will automatically discover the keyboard and show "**Bluetooth Keyboard**" on the list of devices.

6. On the iPad tap the words "**Bluetooth Keyboard**" from that list. (If Bluetooth keyboard is not on that list, try pressing the pairing button again)

7. A notification box with a passkey should now appear on your iPad screen.

8. Enter the passkey on your Bluetooth keyboard (*you will not see anything on the display as you do this*), and press the **return/ enter key on your keyboard**.
9. Your iPad screen should show the keyboard as connected or paired.
